

Fire
can
kill.

Don't drop your rubbish.

Litter can be dangerous

Protect
your
environment

999 emergency call

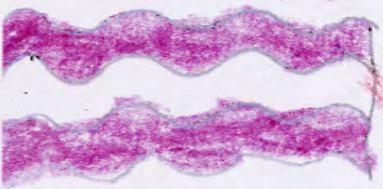

protect yourself from
fire.

pick litter up when
you see it.

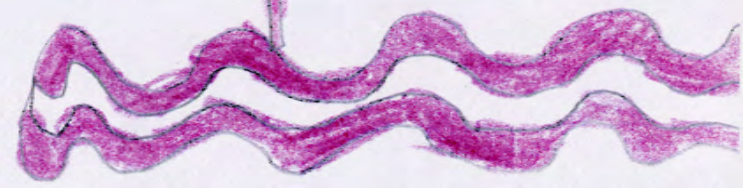

don't leave glass
around.

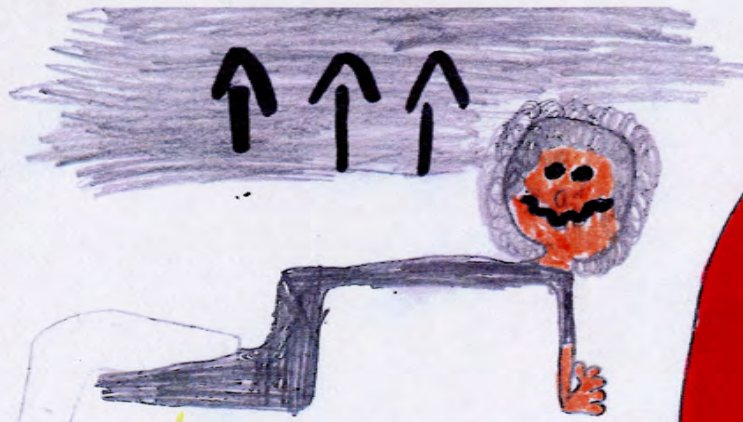

be
SAFE

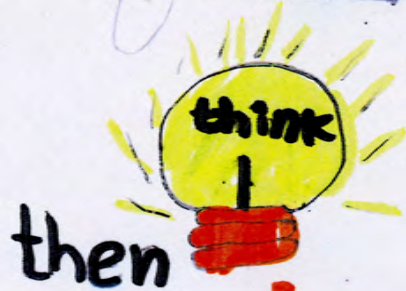

ALLWAYS
KEEP
AS LOW
DOWN
AS POSSIBLE

STOP

then

Keep Safe in a

FIRE

keep safe in a fire

KEEP AWAY FIRE

Put the back of your hand on the door and check if the fire is in front of the door.

crawl on your hands and knees because the smoke travels upwards.

Try to put a smoke alarm in every place possible.

Leave your pets inside, the fire brigade will get them out.

Keep Safe

make
sure
you
have
at
least
3
fire
alarms

Electricity
don't over
load your
socket

Animals
ensure
that no
animals
have chewed
through
wires
especially
lost
