Making Your Community Safer

Halloween Safety

- ✓ Have fun but be mindful of other people, particularly the elderly and vulnerable.
- ✓ Don't trick or treat alone – go in a group.
- ✓ Look for decorations/pumpkin outside of the house before trick or treating.
- ✓ Stay in areas that are well lit and be **visible**.
- ✓ Let people know where you are going and plan to be home.

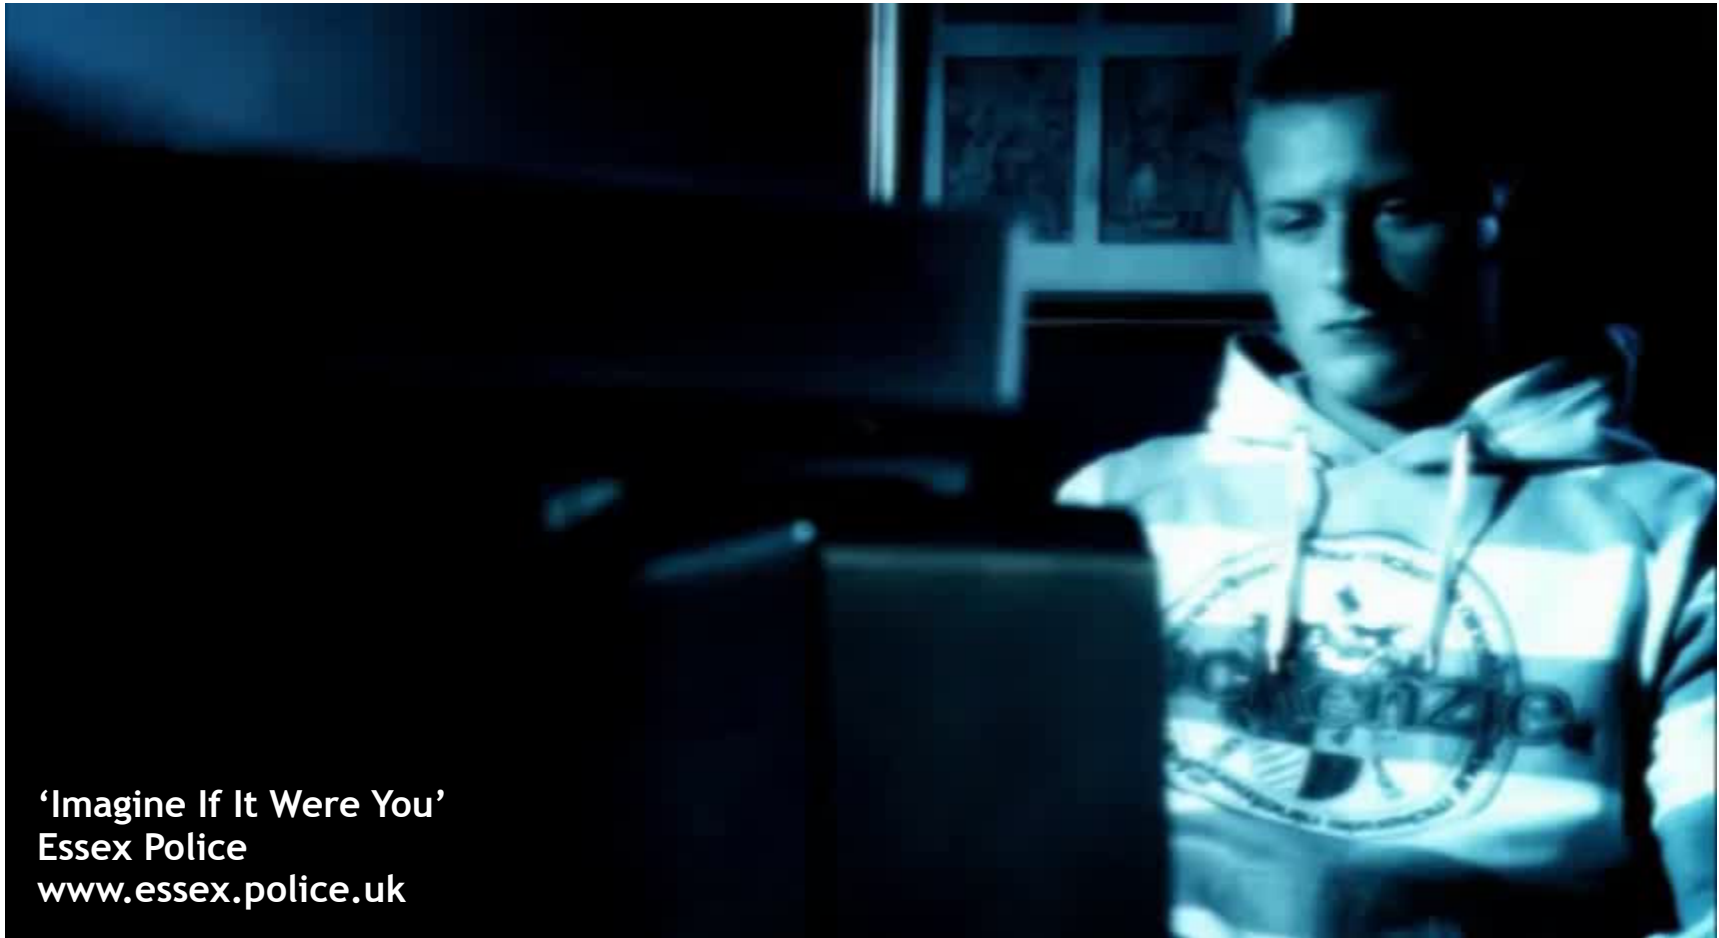

What is Antisocial Behaviour?

“Conduct that has caused, or is likely to cause, harassment, alarm or distress to any person.”

The Anti-Social Behaviour, Crime & Policing Act 2014 (ASBCP 2014)

First Aid for Burns

- **Remove jewellery and clothing from around the area, but not if it is stuck to the skin.**
- **Lots of water over the area for 10 to 30 minutes. But do not use ice, iced water or creams.**
- **Keep casualty warm.**
- **Lay cling film on rather than wrapping.**
- **Go to A&E or call an Ambulance if you think it may be serious.**

COOL-CALL-COVER

Cool the burn with running cold tap water for 20 minutes & remove clothing & jewellery (unless it is melted or firmly stuck to the wound).

Call for help – 999, 111 or local GP for advice

Cover the burn with cling film or a sterile, non-fluffy dressing or cloth
