Plan B

Practice

When your smoke alarm sounds

- Check the temperature of the door with the back of your hand.
- Leave the room keeping below the smoke, closing the door behind you.
- With the rest of the family, make your way to the nearest exit.
- Do not investigate or attempt to collect belongings.
- Once safely outside dial 999.

First Aid for Burns

- Remove clothing and jewellery from the area as soon as possible. Leave clothing in place if it stuck to the skin.
- Cool the area with cool or lukewarm water for at least 10 minutes.
- Cover do not wrap, with a layer of cling film, to prevent infection.
- Seek professional help if necessary.

Home Security

Making Your Community Safer

Doors and Windows

- **In 1 in 10 burglaries, access is gained through an unlocked window or door.**
- **Keep valuables out of site (eg. Phones, tablets, jewellery, car keys).**
- **Always lock, garden gates, garages and Sheds.**

Doors and Windows

- **Store away tools and ladders so they can't be used to aid burglars.**
- **Do not leave keys outside of the property (e.g under a mat or in a plant pot). Where possible leave keys with a trusted person to allow access.**
- **Use outside lighting and CCTV to deter burglars.**

Shared Entrances

- **Never buzz strangers in.**
- **Ensure strangers can't follow you in (through communal entrances).**

Property Marking

- **Mark valuable items in your home.**
- **Register serial numbers of goods.**

Consider having a safe in your home!

Keys

- **Don't leave keys where they can be seen or reached from the outside.**
- **Don't have spare keys hidden outside.**
- **Don't leave car keys lying around.**

When you are away on holiday.

Ask friends to:

- Remove your post
- Turn on lights
- Open and close your curtains.
